EXAMINER'S COMMENT

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because: The declaration (which appears to be a copy from prior application 10/182,475) appears to have been submitted with the present divisional application and is acceptable. See MPEP 602.05 (a). However, the declaration claims priority to the PCT application under 35 USC 119 and 120. Neither is accurate. The parent application was a national stage application of the PCT application and not a foreign application under 35 USC 119 or a prior domestic application under 35 USC 120. Therefore, the PCT application should not be listed under claims to foreign or domestic priority.
